Madras.

Through

The Director of Public Health, Madras.

ASST. SECRETARY TO GOVT.
2 - DEC 1942
EDUCATION AND PUBLIC HEALTH DEPT.

9590(S)

Plague - South Kanara District - Kulgunda Cattle fair and Subramanya Shasti festival - Threatened outbreak - Preventive measures - employment of Plague staff - sanction - sought.

The annual cattle fair at Kulgunda and the Subramanya Shasti festival will come off in Subramania village, Puttur Taluk of this District between 22-11-42 to 1-12-42 and a very large number of cattle from the cattle breeding stations of Mysore State are brought to this place for sale every year. People from various parts of this District and the neighbouring districts of Mysore State visit the locality in hundreds.

2. The Dt. Health Officer, South Kanara reports that plague is prevalent in Mysore State where the latest figures are 13 attacks and 9 deaths and that there are attacks and deaths in the neighbouring district Hassan of the Mysore State. In the interests of public health and as a preventive measure he proposes to open two observation depots for a period of one month from 20-11-42 one at Bisley Ghaut and the other on the Shirad frontier, through which people and cattle from Mysore State come into this District. There is thus every possibility of the disease being imparted into this District by the people attending the cattle fair and the Shasti festival from plague infected areas in Mysore. I therefore fully agree with the Dt. Health Officer and request that the Government may be pleased to sanction the employment at each of the above stations of a Plague Inspector on Rs. 55/- p.m. a peon on Rs. 12/- p.m. and two coolies on Rs. 10/- p.m. each for a period of one month from 20-11-42.

3. As the matter is urgent I have approved the above appointments made by the Dt. Health Officer and request that my action may be approved.

4. On receipt of the estimate of the expenditure to be incurred in this connection from the Dt. Health Officer, the Director of Public Health, Madras will be addressed for necessary allotments.

For Collector.
17.XI
17.XI

Public Health Department.

S.No. 2014-1-P.H., dated 26-11-42.

Forwarded and recommended.

2. The expenditure will be met from the budget allotment for 1942-43 under "39 - c. P.H. Expenses in connection with epidemic diseases - A. Bubonic Plague.

For Director of Public Health,
Madras.
